# PEAK
TECHNOLOGIES

# Peak Technologies has you covered for all of your rental needs.

We're here to help! Rent Zebra TC77s for a low monthly price.
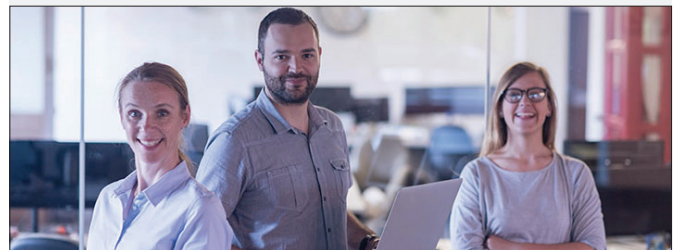

**Back in stock in limited quantities**

## YOU ASKED, WE LISTENED.
### Here's how it works:

- ✓ Visit **https://myfxground.peaktech.com**.
- ✓ Enter your FXG ID, email address, and password to get started.
- ✓ Rent a Zebra TC77 for $89/mo per device for a minimum 3 month commitment.
  - Select device & rental start date
  - Charge cable cup with 12 volt adapter for charging can be purchased separately
  - Order as early as possible - quantities limited
- ✓ Billed Monthly on the credit card used to secure your order.
- ✓ Purchase a data plan for the minimum three months upfront.
- ✓ Your device will arrive preloaded with the FORGE application.
  - -- Managed Services and Advanced Exchange, including staging and mobile device management (MDM), are included in the monthly cost.
- ✓ Instructions on returning the device will be provided at the end of your rental agreement.
- ✓ That's it. No hidden fees, no need to commit to anything past your three month agreement.

## Why **Peak?**

**1-on-1 Coaching** — Whether you have 5 routes or 50+ routes, we're here to guide you every step of the way as you transition to the FORGE scanning application.

**Simplicity** — Hardware, accessories, services and managed services, all packaged together into pre-built bundles tailored to the needs of your business, simplifies your buying decision.

**Flexibility** — Flexible leasing and payment options help you get the most out of your investment and keep operating costs low.

**Unmatched Support & Service** — 24/7/365 help desk. Our factory-trained and certified Customer Service Engineers have 25+ years of industry experience on average.
