## Scanner Refresh

Upgrade your Scanners to New Technology

### Benefits:

- Stay up-to-date with latest technology
  - Faster stop experience
  - Longer battery life
  - Larger screen
  - Improved durability
- Enhance driver productivity by reducing issues with aging scanners

### Considerations:

- Contractor will be responsible for coordinating with AP to return old scanners and implement new scanner leases

## Purchase Option

Buyout and Own your Current Scanners

### Benefits:

#### Scanner Ownership

- After working with AP to buy out your scanners, you will own the assets
- Monthly payments decrease to only include Peak services, no scanner cost

### Considerations:

#### Capital Outlay/Aging Technology

- Depending on the number of scanners, it could be a considerable use of cash to purchase scanners outright
- Scanners continue to age, technology obsolescence becomes more significant factor
- Driver productivity continues to decline over time due to mounting scanner issues
- Continued managed service costs will need to be prepaid to Peak Technologies upfront in order for unit(s) to remain functional

## Scanner Extension

Keep your Scanners, Extend Your Lease

### Benefits:

#### Continuity

- Extend your current lease arrangements for 1 -2 years
- Monthly payments will be lowered

### Considerations:

#### Aging Technology

- Technology obsolescence and decreased driver productivity
